World Championships

World Championships was wonderful! So many talented competitors, from Elmhurst and globally. We had 30 people representing Elmhurst at Worlds. In addition, Luc Pesenti and Jade Inoshita put in an immense amount of extra effort to represent us as part of the HDL (Hwarang Dan League) of youth with a spectacular demonstration during opening ceremonies.

This year had 1,700 competitors and our students faced their tough competition. The smallest division that they faced had 8 individuals. The largest was 22 or slightly more. With such competition, not all of our students placed this time, though we were proud to see that they were often towards the top of the pack even when they didn't place.
